

REVISION WORK HISTORY FORM 3

All the topics covered this year must be revised during the summer months. If you have not already done your own short notes use the summer months to do so.

- The Early years of the Order's Rule - how and why they came to Malta
- Malta under the rule of the Order: ; causes, course and consequence of the Great Siege; naval exploits & corsairing; building projects; problems during their rule; the Inquisition.
- The French in Malta: background to the French invasion; the invasion; reforms; the insurrection, the blockade and capitulation.
- The Renaissance
- The Voyages of discovery
- The Reformation & Counter-Reformation & their results
- The Enlightenment & Enlightened Despots
- The Abolition of Slavery
- The French Revolution - causes and course of the revolution
- Napoleon

[Most topics are accompanied by power points copies of which students have been given during the course of the year.]
